

High Liner Culinary Awarded Supplier of the Year at UNIPCO

Cheryl Leblanc, Brian Jobe, and David Thomas received the Supplier of the Year award at UNIPCO from Eric Sloan and Matt Doiron.

UNIPCO is a 100% member owned purchasing group of independent restaurants with members in Ontario, Quebec, and Atlantic Canada. They deal with over 135 national brand manufacturers for top quality products and services. The recipients of this award were voted for by the UNIPCO members and so is particularly meaningful to our team!

Congratulations to the High Liner Culinary team for this great recognition!
