

## **UniPro Recognizes High Liner Foods as a Key Supplier in the Center of the Plate Category**

High Liner Foods' US Foodservice Sales and Marketing team were recently recognized by UniPro as one of a handful of vendors to be named Key Supplier in the Center of The Plate category.

Based in Atlanta, GA, UniPro Foodservice is the largest food service distribution buying group with over 900 independent members throughout the United States. UniPro Foodservice is member owned with a collective purchasing volume of over \$19 Billion with focus on bringing national branded products to foodservice operators. In 2015, UniPro Foodservice had purchases from High Liner Foods in excess of \$100 million, making UniPro High Liner's 3rd largest customer. UniPro's purchases fall into nearly every category, brand, and species sold by High Liner Foods making it one of our most diverse customers!
